

REMARKS

Claim 1-28 are pending in the application. In the Office action, the pending claims were restricted under 35 U.S.C. § 121 to Species I - XVI. Applicant elects Species I identified as Figures 1A-10C. It is believed that claims 1-28 read on Species I. Accordingly, these claims are elected for further prosecution, with traverse. It is believed that at least independent claims 1, 7 and 21 are generic and read on all of the species identified by the Examiner. Therefore, this election of species requirement should be withdrawn.

Respectfully submitted,
